

Application for Recertified Medical Staff Recruitment Credentials, RMSR

We are pleased to provide you with the application for the Recertification in Medical Staff Recruitment (RMSR) credential. The final step in the application process will be verification of your eligibility. Please read and complete the following information to continue the process of obtaining your status as a Recertified Medical Staff Recruiter.

To qualify for recertification, credentials must be obtained within six months of CMSR expiration.

The CMSR credential is initially valid for three years. After three years, recertification credentials will be Recertified Medical Staff Recruiter, or RMSR. This enhanced credential will document the professional's ongoing commitment and experience, as well as provide credentials more advanced for the recruiter's career. The RMSR credential is then good for an additional three years. To obtain recertification status, CMSR's must have:

1. Current employment in medical staff recruitment.
2. Three full years as a CMSR.
3. Over the past three years, a total of 21 units calculated as one unit for each quarter year experience, and one unit for each six hours of approved Continuing Education Units (CEU). If the applicant does not have 21 units, the following may apply: Professional Contributions, Awards and Professional Designations, Association Membership (see below).
4. If you still do not meet the 21 units requirements, successful completion of the Current Examination will qualify you.
5. Current membership in the American Academy of Medical Management.

A documentation letter from the employer(s) is required, as is CEU verification. CEU subject matter can be physician recruitment or other medical staff development area. CEU topics approved will be given some flexibility to better coincide with the professional's customized career path as long as it is within the medical staff development arena. Decision of acceptance by the AAMM Certification Advisory Board is final.

Please note: Recruiters may elect to acquire Fellowship Credentials in addition to, or in place of recertification. (Fellowship in Medical Staff Development, FMSD.) Call for an application.

Units are measured as follows (21 units required):

1. Medical Staff Recruitment Experience Units: One unit for each quarter year full-time equivalent over the past 3 years (up to 12 total units).
2. Continuing Education Units: One unit for each accepted six hours of instruction over the past 3 years (no limit on the number of units). **If the applicant does not have 21 units, the following may be applied.**
3. Professional Contributions: One unit for each hour taught or each page published over the past three years (up to 2 total units).
4. Awards and Professional Designations over the past three years (up to 2 total units).

5. Association Membership over the past 3 years (up to 2 total units).

Attach all support documents as needed.
